## BEST COLLECTION

**KARLY ORR, 27**  
(New York Fashion Academy)  
karlyorr.com

**THE LOOK:** Orr's love affair with draping and silk jersey translates to versatile shift dresses and skirts in her line for stylish, youthful women who love to mix and match.

**THE CREATIVE SPARK:** Orr gets inspiration from architectural magazines and vintage thrift stores, but thrives working hands-on with fabrics in contrasting colors and textures, sculpting them into spur-of-the-moment designs.

**THE UNIQUE FACTOR:** Orr mostly uses silk jersey that "can look almost liquid, which I love."

**MOST EMBARRASSING FASHION MOMENT:** "In grade school, my friends and I would call each other to plan matching outfits. It was usually stretch pants, a bright oversized top and matching socks, with our stretch pants tucked in...lovely!"

**WHERE TO FIND IT:** Promesse (Kirkland, 128 Central Way; 425.828.4259; shoppromesse.com)
